

Visina i rastojanje ograde

Obratite pažnju na mogućnosti skakanja životinja. Važno je da životinje nauče da drže udaljenost od električne žice ograde.

Visina ograde

Navedene visine žice smatraju se smernicama za vašu ogradu. Veličina životinja, naravno, ima određeni uticaj na visinu žice.

Rastojanje

► Molimo vas, vodite računa o lokalnim uslovima

- **Sa žicama:** 6m do 8m (zavisno od određene težine materijala ograde)
- **Sa trakama:** 3m (trake 40mm)
5m (trake 20mm)
6m do 8m (trake 10mm)
- **Sa konopcima:** 4m (prečnik konopca 7 – 8 mm)
6m (prečnik konopca 5 – 6 mm)
